RE: Fund for a Conservative Future  
Identification Number : C00326082  
30 Day Post-General Report (10/1/00-11/27/00)

Dear Mr. Gibson:

This letter is in response to your August 2, 2001 letter asking for clarification on two contributions that do not meet Federal Election Commission regulations.

Your letter brought to our attention that funds were mistakenly accepted into our PAC (a federal PAC), that were from state organizations. These two contributions from *House GOP PAC* and *New Leadership Fund* were each for \$2,500.

After speaking with reports analyst Alice Kang, it was determined that the best resolution to this problem would be to transfer the funds to our state PAC. The \$5,000 dollars in question has now been transferred (see copy of check # 1099) and will be reported on Schedule B of December 31, 2001 Form FEC 3X as a "Transfer to Non-Federal Committee" (see schedule A and B).

We apologize for this error and appreciate the help your office has given in resolving the situation correctly. If you have any questions, or need further information, please feel free to call 405-843-4294.
